

Egerton Rothesay School

SPEECH AND LANGUAGE THERAPIST

Full time/Part time

Contact time term time only (34 weeks). Preparation and admin outside these hours.

Equivalent to Band 5 or Band 6, depending on experience (salary paid across 12 months)

ERS is an independent day school catering for up to 180 students between the ages of 6-19 who have a range of academic abilities and special educational needs. Most, but not all our pupils have Education Health and Care Plans (EHCP). It is a friendly and small environment that works to support the needs of the students whilst following a mainstream curriculum.

We are looking for an enthusiastic and motivated therapist to join our experienced therapy team providing specialist support for pupils with speech, language and communication needs (SLCN). We seek a therapist who wants to develop their skills working in class and directly with students in Key stage 2 to 5. Experience of working with children and young people with a range of SLCN is essential.

This is a rare opportunity to develop clinical skills working directly with students, over long periods of time to fully understand their needs and offer them the best level of support. There is flexibility to allow the therapist to use different techniques and deliver therapy creatively to meet the needs of our students. We work with students individually, running small group sessions and within the classroom.

We offer excellent support from colleagues and staff, with regular supervision and access to internal and external training. There are opportunities for multidisciplinary working as there are a range of teaching staff, specialists and therapists based at the school.

The ideal candidate will have:

- RCSLT membership and HCPC registration.
- Experience or interest of working in an educational environment.
- Excellent interpersonal skills and a sense of humour.

Egerton Rothesay School is committed to safeguarding children and successful candidates will be subject to a Disclosure & Barring Service check.

To apply please contact Natalie Heald, email: recruitment@eger-roth.co.uk
